Re: Preschool Auction Donation Request

Dear Neighbor,

Please accept this letter as a request for a donation to the Early Education Cooperative (EEC) Preschool. EEC is a parent cooperative, non-profit 501(c)(3) preschool serving a diverse group of families with children ages two to five years old.

At our co-op preschool, each child is valued as a unique, worthwhile, and capable individual. We are very proud of our play-based, child-directed, creative, and loving environment where kids get to play in the sand, help plant and harvest in our organic garden, paint or draw every day (if they choose), and enjoy learning about the world around them. The curriculum addresses all aspects of a child's development: cognitive, social, emotional, and physical in a supportive way.

Our 2023 spring fundraiser includes an online silent auction and in-person live auction, both of which raise money to support preschool tuition assistance for families with financial need, as well as equipment and improvements to our classrooms and school grounds. The annual spring auction is the premiere fundraising event for our community and will take place on April 1, 2023.

Each business contributing to our auction will receive a place on our Friends in the Community list, where current families, alumni, and our broader community go to find recommendations for local businesses. Your logo and website will also be linked from our online auction site, which has a potential audience of 500+ participants valley-wide.

Thank you for your consideration and support.

Sincerely,

The Parents of the Early Education Cooperative Preschool
