

Hi, I'm [NAME] and am a parent and volunteer at my [CHILD, SON, DAUGHTER, etc]'s preschool, the Early Education Cooperative. We are a local co-op, play-based nonprofit preschool that has been serving our community for 60 years. This fall we're holding our annual online auction to support our scholarship program and other important school initiatives.

We look to our valued local community for support and hope you will consider helping us. Are you willing to donate an auction item to assist us in reaching our fundraising goals?

Quick facts that businesses might ask about:

- The auction is ONLINE ONLY and will run from November 26-December 3, 2022.
- We have a donation request letter that includes our nonprofit and tax ID information (can email or send to the business if needed)
- Businesses can also make a monetary donation instead of an actual item – for more information about the school or making a monetary contribution contact one of our Co-Interim Directors, Sarah Root or Nancy Wilson at 623-201-7180 or interimdirectors@cooppreschool.org
