

Early Education Cooperative Tuition Discount Application

2022-2023 School Year

We believe that any family who values the importance of parent participation in preschool should have an opportunity to participate in our program regardless of their financial situation. Here are the guidelines for discounts:

1. "Scholarships" at Early Education Cooperative are in the form of a tuition reduction/discount. All families at the Early Education Cooperative must contribute financially to the program at some level. **Maximum** discounts are 50% of tuition and fees.
2. Tuition Discounts are for the preschool programs only. *We do not provide reduced rates for Registration Fees, Deposits, Lunch Bunch or Aftercare.*
3. Families requesting a discount from the Early Education Cooperative can submit this application with their registration for the new school year beginning February 2022 (or at time of registration) and no later than May 1, 2022. Families who apply after May 1, 2022 will have the opportunity to apply based on funding that is still available.
4. The Tuition Fee/Discount committee consisting of the director and EEC board will make decisions based on financial need.
5. Families who receive discounts are expected to provide volunteer service to Early Education Cooperative, over and above the basic expectations for parent participation.
6. Families facing financial hardship may apply for a tuition reduction at any time during the year. However, tuition reduction will not be retroactive. Awards will be based on the availability of resources.

Application for Tuition Reduction/Discount

Child's Name: _____ Child's Class: _____

Child's Name: _____ Child's Class: _____

Parents Names: _____

Email Address: _____

Phone Number: _____

Amount or Percentage Requested
